

*The LOUISVILLE DOWNTOWN BUSINESS ASSOCIATION
is DEDICATED
to making Historic Downtown a great place to
LIVE, WORK, and VISIT*

2009 Membership Application

Why Should You Join the DBA?

Because the DBA WORKS HARD to make Historic Downtown a vibrant and profitable place to operate your business. Work includes:

- Planning, marketing, and operating the Street Faire - an event that brings thousands of people to Historic Downtown
- Bringing WinterSkate to Historic Downtown – including branding and advertising
- Running professional-quality ads for Historic Downtown (see “Historic Downtown is Getting a Look” on the louisvilledba.com About Us page)
- Representing your interests at City Council and BraD meetings
- Volunteering HUNDREDS of hours to bring customers Downtown

A DBA Membership also gives your business an expanded presence on the DBA web site. Louisvilledba.com is visited by thousands (we are not kidding) of people every month. Look for an updated and improved site in May.

The DBA is a completely non-profit organization. Your membership fees are an essential part of getting things done for Historic Downtown. Thank you!
